WORK EXPERIENCE

Metropolitan Community College

2019 - Current

Learning Assistant

Kansas City, MO

- Continuing tutoring services through the COVID-19 pandemic by creating an online platform through Discord for students and tutors to engage with each other.
- Providing walk-in tutoring in the Math & Science Lab.
- Conducting one-on-one assistance to students who need tutoring in algebra, calculus, physics, biology, statistics, information technology, and computer science (C++, Python, arch) subjects.
- Creating handouts and supplementary materials to assist student learning.
- Working with a variety of individuals, students, staff, and faculty to support the philosophy and mission of an urban, open-door, comprehensive community college.

United States Marine Corps

2009 - 2013

Corporal of Marines, Field Radio Operator

Kansas City, MO

- Employ radio to send and receive messages. Typical duties include the set up and tuning of radio equipment and Very Small Aperture Terminal-Small, including antennas and power sources; establishing contact with distant stations; processing and logging of messages; making changes to frequencies or cryptographic codes.
- Held supervisory responsibilities as a Corporal; in charge of a small team of three to five junior enlisted Marines.

Convergys

2012

Customer Service and Sales Representative Level II

Kansas City, MO

- Responsible for providing front line, direct contact with clients and customers. This is principally done through receiving or placing telephone calls.
- Worked in a fast-paced environment, and was focused on first call resolution in an effort to achieve customer satisfaction at all levels.

US Department of Commerce

2010

Enumerator

Kansas City, MO

- Conducted interviews with residents in assigned areas by following stringent guidelines and confidentiality laws. Explained the purpose of the census interview, answered residents' questions, elicited information following a script, and recorded census data on forms.
- Assessed quality control levels on selected addresses, determined which samples passed or failed, and maintained records for quality control verification.

EDUCATION

University of Missouri-Kansas City

Current

Bachelor of Science in Computer Science

Kansas City, MO

- Currently attending classes at UMKC in pursuit of a BSCS; date of graduation: December 2021.
- Achieved Dean's List every semester; 4.0 GPA.
- Recipient of Bayer Scholarship.

Metropolitan Community College

2018 - 2019

General Education

Kansas City, MO

- Member of Phi Theta Kappa; achieved Dean's List every semester; 4.0 GPA.
- Leader of the Cycling Club; worked on campus in the Math Lab.
